1. CONSIDERAÇÕES INICIAIS

Os serviços de Prestação de Contas têm por objetivo a entrega da Prestação de Contas obrigatória no contrato de gestão, seguindo todas as instruções e recomendações do Tribunal de Contas do Estado de São Paulo e legislações municipais, estaduais e federais, e ainda, o acompanhamento e monitoramento das rotinas administrativas**,** desta forma, fez parte do planejamento verificar todos os departamentos, e pessoas envolvidas com os processos, a fim de mapear, corrigir e criar padrões de trabalhos. Além das rotinas de Prestação de Contas, ações preventivas (sugestões) a fim de estabelecer um processo de melhoria contínua**,** visando maior segurança e confiabilidade nos controles das informações e processos da entidade.

Desta forma, é de suma importância que os trabalhos sejam acompanhados e avaliados periodicamente, uma vez que o monitoramento visa detectar e corrigir possíveis falhas. Importante enfatizar que os serviços são contínuos, prevendo uma evolução na profissionalização da entidade.

1.1. Equipe técnica

Responsável: Igor Sanches
igorconsultoria@hotmail.com

2. OBJETIVO GERAL

Implementar instrumentos/mecanismos de desenvolvimento na entidade através de uma gestão eficaz para Prestação de Contas no contrato de gestão, seguindo todas as instruções e recomendações do Tribunal de Contas do Estado de São Paulo e as legislações municipais, estaduais e federais.

3. METODOLOGIA

A metodologia aplicada considera os pontos abaixo ressaltados, contudo os procedimentos baseiam-se nas informações evidenciadas nos documentos disponibilizados:

- Análise e readequação da estrutura administrativa para elaboração da Prestação de Contas;
- Elaboração dos fluxos de controles internos administrativos de prestação de contas;
- Entrega da respectiva prestação de contas;
- Reuniões com os responsáveis descrevendo os trabalhos executados, e passando as orientações/explicações necessárias;
- Realização de relatório gerencial, em caráter confidencial à diretoria, abrangendo as considerações e sugestões.

4. ATIVIDADES DESENVOLVIDAS

Elencamos abaixo os principais trabalhos realizados no período:

- Organização e manual de prestação de contas para padronização;
- Criação de procedimentos entre os setores determinando os documentos que devem ser enviados ao setor de prestação de contas incluindo cronograma de atividades;
- Adequação das prestações de contas ao Plano de Trabalho apresentado;
- Criação e reestruturação de processos das áreas administrativas, bem como, das interfaces entre as áreas;

- Estruturação de controles internos de segregação de funções, atribuição de responsabilidades e delegação de autoridade;
- Orientações e assessoria ao contador da entidade;
- Elaboração e adequação do Plano de Contas financeiro;
- Padronização de documentos e informações do setor de Patrimônio;
- Elaboração dos fluxogramas dos departamentos administrativos.

5. CONSIDERAÇÕES FINAIS

Dentre os trabalhos realizados, é importante reiterar a organização e o preparo do colaborador que vai executa-los. Através da padronização dos procedimentos, o setor de Prestação de Contas poderá observar os resultados imediatamente. Foram feitas revisões dos trabalhos, e análises dos processos, validando se os trabalhos estão sendo executados corretamente, conforme planejado.

O setor de Prestação de Contas deverá manter o sistema de controle interno eficiente e continuo que possibilite a detecção de eventuais falhas ou erros.

Além disso, foram apresentados procedimentos e orientações administrativas para melhorar os controles e entregar em perfeita ordem a Prestação de Contas.

1. CONSIDERAÇÕES INICIAIS

Os serviços de Prestação de Contas têm por objetivo a entrega da Prestação de Contas obrigatória no contrato de gestão, seguindo todas as instruções e recomendações do Tribunal de Contas do Estado de São Paulo e legislações municipais, estaduais e federais, e ainda, o acompanhamento e monitoramento das rotinas administrativas**,** desta forma, fez parte do planejamento verificar todos os departamentos, e pessoas envolvidas com os processos, a fim de mapear, corrigir e criar padrões de trabalhos. Além das rotinas de Prestação de Contas, ações preventivas (sugestões) a fim de estabelecer um processo de melhoria contínua**,** visando maior segurança e confiabilidade nos controles das informações e processos da entidade.

Desta forma, é de suma importância que os trabalhos sejam acompanhados e avaliados periodicamente, uma vez que o monitoramento visa detectar e corrigir possíveis falhas. Importante enfatizar que os serviços são contínuos, prevendo uma evolução na profissionalização da entidade.

1.1. Equipe técnica

Responsável: Igor Sanches
igorconsultoria@hotmail.com

2. OBJETIVO GERAL

Implementar instrumentos/mecanismos de desenvolvimento na entidade através de uma gestão eficaz para Prestação de Contas no contrato de gestão, seguindo todas as instruções e recomendações do Tribunal de Contas do Estado de São Paulo e as legislações municipais, estaduais e federais.

3. METODOLOGIA

A metodologia aplicada considera os pontos abaixo ressaltados, contudo os procedimentos baseiam-se nas informações evidenciadas nos documentos disponibilizados:

- Análise e readequação da estrutura administrativa para elaboração da Prestação de Contas;
- Elaboração dos fluxos de controles internos administrativos de prestação de contas;
- Entrega da respectiva prestação de contas;
- Reuniões com os responsáveis descrevendo os trabalhos executados, e passando as orientações/explicações necessárias;
- Realização de relatório gerencial, em caráter confidencial à diretoria, abrangendo as considerações e sugestões.

4. ATIVIDADES DESENVOLVIDAS

Elencamos abaixo os principais trabalhos realizados no período:

- Organização e manual de prestação de contas para padronização;
- Criação de procedimentos entre os setores determinando os documentos que devem ser enviados ao setor de prestação de contas incluindo cronograma de atividades;
- Adequação das prestações de contas ao Plano de Trabalho apresentado;
- Criação e reestruturação de processos das áreas administrativas, bem como, das interfaces entre as áreas;

- Estruturação de controles internos de segregação de funções, atribuição de responsabilidades e delegação de autoridade;
- Orientações e assessoria ao contador da entidade;
- Elaboração e adequação do Plano de Contas financeiro;
- Padronização de documentos e informações do setor de Patrimônio;
- Elaboração dos fluxogramas dos departamentos administrativos.

5. CONSIDERAÇÕES FINAIS

Dentre os trabalhos realizados, é importante reiterar a organização e o preparo do colaborador que vai executa-los. Através da padronização dos procedimentos, o setor de Prestação de Contas poderá observar os resultados imediatamente. Foram feitas revisões dos trabalhos, e análises dos processos, validando se os trabalhos estão sendo executados corretamente, conforme planejado.

O setor de Prestação de Contas deverá manter o sistema de controle interno eficiente e continuo que possibilite a detecção de eventuais falhas ou erros.

Além disso, foram apresentados procedimentos e orientações administrativas para melhorar os controles e entregar em perfeita ordem a Prestação de Contas.

IMPORTANTE PARA SUA EMPRESA

Aqui está a sua fatura onde a nota fiscal e a fatura para pagamento estão separadas. Na nota fiscal você encontra somente informações dos serviços telecom contratados, e na fatura continuam sendo apresentados todos os serviços contratados, além dos valores excedentes. Em virtude das informações serem encontradas na nota fiscal e na fatura, essas poderão apresentar valores diferentes. **Utilize o QRCode PIX para o pagamento. Além de ser fácil, rápido e prático o sinal é liberado em minutos!**

IMPORTANTE PARA SUA EMPRESA

Aqui está a sua fatura onde a nota fiscal e a fatura para pagamento estão separadas. Na nota fiscal você encontra somente informações dos serviços telecom contratados, e na fatura continuam sendo apresentados todos os serviços contratados, além dos valores excedentes. Em virtude das informações serem encontradas na nota fiscal e na fatura, essas poderão apresentar valores diferentes. **Utilize o QRCode PIX para o pagamento. Além de ser fácil, rápido e prático o sinal é liberado em minutos!**
